

EDUCATOR'S WORKSHOP:
DESIGNING UNDERGRADUATE COURSES THAT
INTEGRATE NANOTECHNOLOGY AND SOCIETY

The California Nanosystems Institute (CNSI) at UC Santa Barbara invites educators to a workshop on designing undergraduate courses that integrate Nanotechnology and Society on September 10-12, 2008. The event will be co-sponsored by the NSF Center for Nanotechnology in Society (CNS-UCSB). Please return completed application to Dr. Meredith Murr, no later than August 15, 2008 (murr@cnsi.ucsb.edu, fax 805-893-6132, phone 805-893-3360).

Application

Name:

Title:

Institut:

Department:

Address:

City:

State:

E-mail:

1. Please describe how participation in this workshop will benefit you and your students.
2. Please describe your experience teaching undergraduate courses.
3. Please describe your teaching philosophy, and include any strategies you find particularly effective.
4. Please list courses you have taught or plan to teach that address the intersection of science and technology.
